FOREWARD

All Praise to Allaah who blessed Mankind with the best of Creation-Hadhrat Muhammad (SAW) and guided the Righteous Sahabah (RA) who implemented the unique beautiful Shariat of Hadhrat Muhammad (SAW).

In the Shariat little action reaps tremendous sawaab - blessings.

Virtuous acts reap (earn) 2 types of thawaab, the first **"Thawaab Istikaaqi"** (Deserving blessings/rewards) and the second, **"Thawaab Fazli"** (Thawaab by Grace). The blessings inferred in the ahadith wherein it is stated that one will receive the blessings (reward) of reading 1 or more Quraans refers to **Thawaab Fazli.**

One can just within 15 minutes read this small compilation and confer the reward to some beloved deceased and simultaneously get the reward for oneself also.

Kindly make dua for all those who made this publication reach you.

AYATUL - KURSI

'Allaaahu laaa 'ilaaha 'illaa Huu. 'Al-Hayyul -Qay-yuum. Laa ta-khuzuhuu sina-tunw-wa laa nawn. Lahuu maa fis-samaawaati wa maa fil-'arz. Man zallazii yashfa-`u `indahuuu 'illaa bi `iznih? Wa-si-`a Kursiyyu-hus-Samaawaa-ti wal-`arz; wa laa ya-`uudu-huu hifzu - humaa wa Huwal-`Aliyyul-`Aziim.

Allaah! There is no illah (to be worshipped), but He the living - the self - subsisting and all - sustaining. Slumber, cannot seize Him nor sleep, to Him belongs whatever is in the Heavens and on Earth. Who is he, that can interce with Him, but by His permis-sion? He knows what is before, and what is behind them; and they cannot compre-hend anything of His knowledge, but so much, as He pleases. His Throne entends over the heavens and the earth, and preservation of both (these) burdens Him not, His is the Sublime, the Great.
